SU HYVEGA A

Advantages:

- Compensation type
- A-quality with very high and stable hectolitre weight
- Good winterhardiness

Short profile:

Short promer		
	= very low resistance/early/short,	++++ = very high resistance/late/long
Plant Development		
Maturity		
Vitality		
Winter hardiness	7 (high)	
Lodging resistance		
Plant Health		
Fusarium		
Quality		
Hagberg / Falling number		
Protein content		

Breeder: Nordsaat Saatzucht GmbH, Germany
