

LION Yellow hulled

Time for a new yield and quality dimension

Advantages:

- A new universal variety for farmers who value unsurpassed high-yielding, high-quality yellow oats
- 6% more yield than best standard variety
- Better yield and better quality than market leading variety
- Very high kernel content, good dehullability

Cultivation:

Suitable for all growing conditions, even late sowing or high altitude
In case of high infestation pressure treat mildew

Short profile:

---- = very low resistance/early/short,

++++ = very high resistance/late/long
